

## *Maths - Number*

### *Place Value*

- count, read and write numbers to 100 in numerals;
- count in multiples of twos, fives and tens.
- read and write numbers from 1 to 20 in numerals and words.

### *Addition and Subtraction*

- read, write and interpret mathematical statements involving addition (+), subtraction (-) and equals (=) signs.
- represent and use number bonds and related subtraction facts within 20.

### *Multiplication and Division*

- solve one-step problems involving multiplication and division, by calculating the answer using concrete objects, pictorial representations and arrays with the support of the teacher.

This booklet provides information for parents and carers about the end of year expectations for children in our school.

Meeting these objectives will help your child to make good progress as they move through the school. All the objectives will be worked on throughout the year and will be the focus of direct teaching.

Any extra support you can provide in helping your children to achieve these is valued greatly. If you have any questions about the content of this booklet or want support in knowing how best to help your child, please talk to your child's teacher.

Details of all the National Curriculum Expectations can be found by following the link below:

<https://www.gov.uk/government/publications/national-curriculum-in-england-primary-curriculum>

*As well as building on the previous year's objectives .....*
