Spring Term 2020 - Class 2

Winmarleigh CE Primary School
TOGETHER WE STAND!

English
Biographies (Year 6)
Recounts
Poetry
Letter writing
Non-chronological reports – writing information leaflets (Year 3,4,5)

Science
Our science work this term will link to materials and their properties. We will be learning about states of matter – solid, liquid or gas.
We will be finding out about how the state of the material can change from heating or cooling.
Temperature and thermal insulation.

Maths
See separate sheet

Topic: Geography & History
Develop an awareness of the Lake District and identify similarities and differences between ways of life there and where we live. Ask and answer questions about the lives of significant individuals from the Lake District.

To learn about different settlements and how early settlers chose where to build a new home.

Develop knowledge about the world, the UK and our locality.
